CAMP SHAWNEE is a weeklong overnight camp during the months of June and July. Camp begins Monday morning and ends on Friday afternoon, with the exception of the week of the 4th of July and the Day Camps.

WE BELIEVE each child is a unique individual with their own special talents and strengths. We seek to provide activities that allow all children to learn new skills and to experience success.

We seek to provide all activities in a safe manner and:

- Have trained lifeguards on staff
- Require children to wear life jackets anytime they are near the lake. In the swimming pool, life jackets are worn unless the camper passes a swimming test.
- Provide training to all camp staff and volunteers
- Have medical personnel on staff
